Dear Mayor Lawn:

Subject: Downtown Burlington Partnership Meeting
File: 560-04

On behalf of the Downtown Burlington Partnership, I would like to thank you once again for coming to Burlington and speaking to the Partnership; particularly, during your last days as Mayor of Prescott.

The presentation of your work, the development of an attractive and successful waterfront and downtown in Prescott, was encouraging and enlightening. By following your example of creating by partnership a clear vision and action plan based on community values, I am certain our goals can also be achieved. Your message regarding the need to balance the economic, social and environmental issues of redevelopment against political reality confirmed the need for the Partnership to represent a variety of interest groups.

Thank you again for your time, your excellent presentation and your encouraging comments. Best wishes in all of your future endeavours.

Yours truly,

Marilyn Lagzdins
